

FOR IMMEDIATE RELEASE

**Niocan amends its \$2.27 Million Secured Debenture
to extend the maturity date**

Montréal, Québec, October 31, 2019 — Niocan Inc. ("Niocan" or the "Company") (TSX-V-NIO) announces that it has amended its \$2.27 million secured non-convertible debenture with Nio-Metals Holdings LLC ("Nio-Metals") dated February 19, 2013 (the "Amended Secured Debenture") to extend the maturity date from October 31, 2019 to April 30, 2020, subject to no other condition. Except for the maturity date, the other material terms and conditions of the Amended Secured Debenture have remained the same.

No other accessory agreement was entered into with Nio-Metals or other associated entities of Nio-Metals in connection with the Amended Secured Debenture.

The Amended Secured Debenture was approved by all the members of the Board of directors, except for the nominee of Nio-Metals given its interest in the matter, as the members considered it in the best interest of the Company.

Related Party Disclosure

Pursuant to Multilateral Instrument 61-101 -- *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"), the Amended Secured Debenture constitutes a "related party transaction" as Nio-Metals (the "Related Party") currently holds 49.4% of the issued and outstanding common shares of the Company.

The Company is exempt from the formal valuation requirement of MI 61-101 in connection with this amendment in reliance on section 5.5(b) of MI 61-101, as no securities of the Company are listed or quoted for trading on the the Toronto Stock Exchange, Aequis NEO Exchange Inc., the New York Stock Exchange, the American Stock Exchange, the NASDAQ Stock Market, or a stock exchange outside of Canada and the United States other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc.

"Additionally, the Company is exempt from obtaining minority approval in connection with the Amended Secured Debenture in reliance on section 5.7(f) of MI 61-101, as the transaction is a loan on reasonable commercial terms that are not less advantageous to the Company than if the loan was obtained from a person dealing at arm's length with the Company, and the loan is not (A) convertible, directly or indirectly, into equity or voting securities of the issuer or a subsidiary entity of the Company, or otherwise participating in nature, or (B) repayable as to principal or interest, directly or indirectly, in equity or voting securities of the Company or a subsidiary entity of the Company.

Moreover, the Related Party, to the extent that it holds Niocan common shares and that its Amended Secured Debenture is not convertible, will experience the same effects as other Niocan shareholders as a result of the Amended Secured Debenture. The Related Party will be entitled to receive interest and return of the principal amount of its Amended Secured Debenture in priority to Niocan shareholders."
